

**NJQSAC Statement of Assurance  
School Year 2015-2016**

**Instructions for Completing the Statement of Assurance (SOA)**

**General Information:**

All districts must complete the Statement of Assurance (SOA) annually and submit it to NJDOE electronically.

**The submission deadline for the SOA for School Year 2014-15 is November 15, 2015.**

Selected districts are being asked to submit the SOA by October 1, 2015.

**Instructions for Completing the District Information and Score Summary Page:**

Enter the required information (district and county name, superintendent name, superintendent email address, district address).

Do not enter any other information on this page.

The district scores will tally automatically once the SOA is completed. There will be five scores - one each for Instruction and Program, Fiscal Management, Governance, Personnel and Operations. The scores will be expressed as a percentage, based upon the total number of points the district receives for the SOA items. For example, there are five items in the Instruction and Program section of the SOA. If the district complies with 4 of the 5 items, the percentage for the Instruction and Program section of the SOA would be 80%, which will be automatically entered on the District Information and Score Summary Page.

**Instructions for Completing the SOA Pages:**

1. Read each SOA item carefully and determine whether the district fully complies with the SOA statement. Then, enter a "**1**" for a **Yes response** or a "**1**" for an **N/A** response in the Score column. The cells contain a default value of "0", which indicates a No response. You will need to change the 0 to a 1 if your response is Yes or N/A.
2. An "N/A" response must be accompanied by the reason(s) why district administration has determined that the SOA item is not applicable. Type the reason in the "Comments" column in the appropriate item row. A point is awarded for an N/A response, just as it is for a Yes response.
3. A "No" response must be accompanied by the reason(s) that the district is not compliant with this indicator. Type the reason in the "Comments" column in the appropriate item row.

**Instructions for Completing the Declaration Page and Obtaining Board Approval for the SOA:**

The chief school administrator and board of education president are responsible for attesting to the accuracy of the SOA responses.

1. The district chief school administrator is required to present the completed SOA at a board of education meeting.
2. The board needs to prepare a resolution attesting to the accuracy of the SOA responses and submit the signed resolution as a PDF file.

**NJQSAC Statement of Assurance  
School Year 2015-2016**

**Instructions for Submitting the Completed SOA Excel File, Signed Declaration Page and Board Resolution to NJDOE:**

1. The district's SOA Excel file and PDF files of the signed Declaration Page and Board resolution must be submitted electronically to NJDOE, the NJ Homeroom page. Note that the QSAC section of the NJ Homeroom portal will not open until October 1, 2015. Therefore, files cannot be uploaded until that date.
2. Go to <http://homeroom.state.nj.us/> and click on "QSAC SOA and DPR". Enter your district's code, user name and password. To obtain your user name and password, contact your Web User Administrator (WUA).
3. Make sure you have saved your district's SOA Excel file as  
District name (County name) QSAC SOA 2015-16.xls  
EXAMPLE: Smith Township (Mercer) QSAC SOA 2015-16.xls
4. Follow instructions regarding uploading your SOA files.
5. You will need to upload the actual SOA Excel file (not a PDF of the file), along with a PDF of the signed Declaration Page and Board resolution. All three files must be uploaded in order for your district's QSAC SOA submission to be complete. If you experience problems with the upload, email [qsac@doe.state.nj.us](mailto:qsac@doe.state.nj.us)

**Data Provided by the NJ Department of Education (NJDOE) that is Needed to Complete the Indicators Listed Below:**

**Instruction and Program:**

#3 - Curriculum: For each of the nine curriculum content areas, provide the date (MM/YYYY) on which the board of education first approved that curriculum as aligned to the NJ Core Curriculum Content Standards. Do not enter the annual readoption date. In order to be fully compliant, curriculum for all nine content areas must be board adopted and aligned to the NJCCCS by the time the SOA is submitted. All nine areas must also comply with the requirements specified in the memo, "Curriculum Alignment and Adoption Requirements," posted on the NJQSAC website. In cases where curricula for a particular content area have various board adoption dates, provide the range of dates in the Comments section. For example, if the district offers 15 math courses and they were board approved between 4/2011 and 5/2014, enter "4/2011-5/2014" in the Comments section of the applicable content area.

#4 - Career and Technical Education Program (CTE): A list of districts that have CTE programs is available on the NJQSAC website. Only those districts on the CTE program list need to determine compliance with this indicator. Districts that do not have CTE programs (districts not on the list) need to enter a "1" for an N/A response in the district score column.

#5 - Preschool Education: A list of districts that receive State preschool education aid is available on the NJQSAC website. Only those districts on the Preschool Education Aid list need to determine compliance with this indicator. Districts that do not receive State preschool education aid (districts not on the list) need to enter a "1" for an N/A response in the district score column.
